Unit One  
Ocean Terminal,  
Brougham Street,  
Greenock.

Dear Sir,

At our Community Council Meeting last night, I was asked to write to you and express the appreciation of the people of Midton for the service you provided not only during the Christmas and New Year holiday period but also during the bad spell of atrocious weather we had recently.

I also have to say that the daily service you operate for the people of Midton is very much appreciated.

From a personal point of view, as one who had to rely on public transport on Boxing day and the 2nd January and also during the bad weather I was grateful for your service.

Long may you company prosper.

Yours Sincerely,

  
John S. Winton

Upper Community Councillor.

Gourock
